We are excited to hit the ground running in 2027 and achieve great things alongside you.

1. **Extra Curriculars:**

- English Creative Writing
- Interactive physical education, fun sports classes
- Personal and group Life Coaching sessions.

These will be offered online, giving home schoolers the opportunity to have the best of both.
Learners will have the opportunity to learn these skills, in the safety & comfort of their homes.
Extra-curricular activities are offered at an **additional cost** and are **subject to sufficient learner enrolment**. Classes will only proceed once the **minimum required number of learners** has been reached.

2. **SCHOLASTIC ASSESSMENTS:**

Conducted by a specialist in the field, affiliated to HabTech Education S.A

This scholastic assessment provides you with a baseline of your child's strengths and weakness in relation to their academic needs.

This will allow their educator/tutor and parents to identify key areas of difficulty to focus on by utilizing their strengths in an individualized way.

Scholastic assessments are available at an **additional cost** and will be charged according to the **applicable standard therapy rates**.
